

Fossil Record in Resins and Sediments

University of Gdańsk
23-26 May, 2023

1st Circular Fossil Record in Resins and Sediments Conference 2023

Dear Colleagues,

We are excited, as well as prepared, to invite you to the

Fossil Record in Resins and Sediments Conference.

The Conference will be in the charming city of Gdańsk – the World Capital of Amber from May 23–26, 2023. This conference marks the 25th anniversary of the Museum of Amber Inclusions at the University of Gdańsk and brings together palaeontologists to share their research and knowledge on fossils in resins and sediments.

The conference aims to connect different areas of palaeontological studies and provide a platform to focus on the fossil resins record. Whether you are a researcher who studies fossils or someone who wants to learn more about the field, this conference is for you.

The registration form has been launched and we invite you to register!

FossilRRS will accept scientific contributions (oral presentations and posters), covering fossil record and palaeobiological research.
